DEDICATION

On behalf of the entire student body at Pioneer, the Annual Staff would like to dedicate the 1976 TORCH to a man who is highly devoted to his students.

A native of Long Beach, California, he attended Lakewood High School and from there, went on to obtain his B.A. at Cal State Long Beach. His love and concern for teenagers was what made him decide to become a high school teacher.

He first came to Pioneer in 1969 where he coached water polo and swimming and taught various history classes. For two years he left us for a position at La Serna High, but returned once again to his "Great" kids at Pioneer. He is now serving as Assistant in Student Activities; supervising many night games and dances, presides over the Senate, and is also a "Super" history teacher who can actually make his characters come alive.

Whatever spare time he manages to find, he spends it skiing, camping, playing racketball, and being with his wife, Jackie and his little son, John.

For many years of deep concern and devotion for his students, the 1976 TORCH is dedicated to our "Super Star."

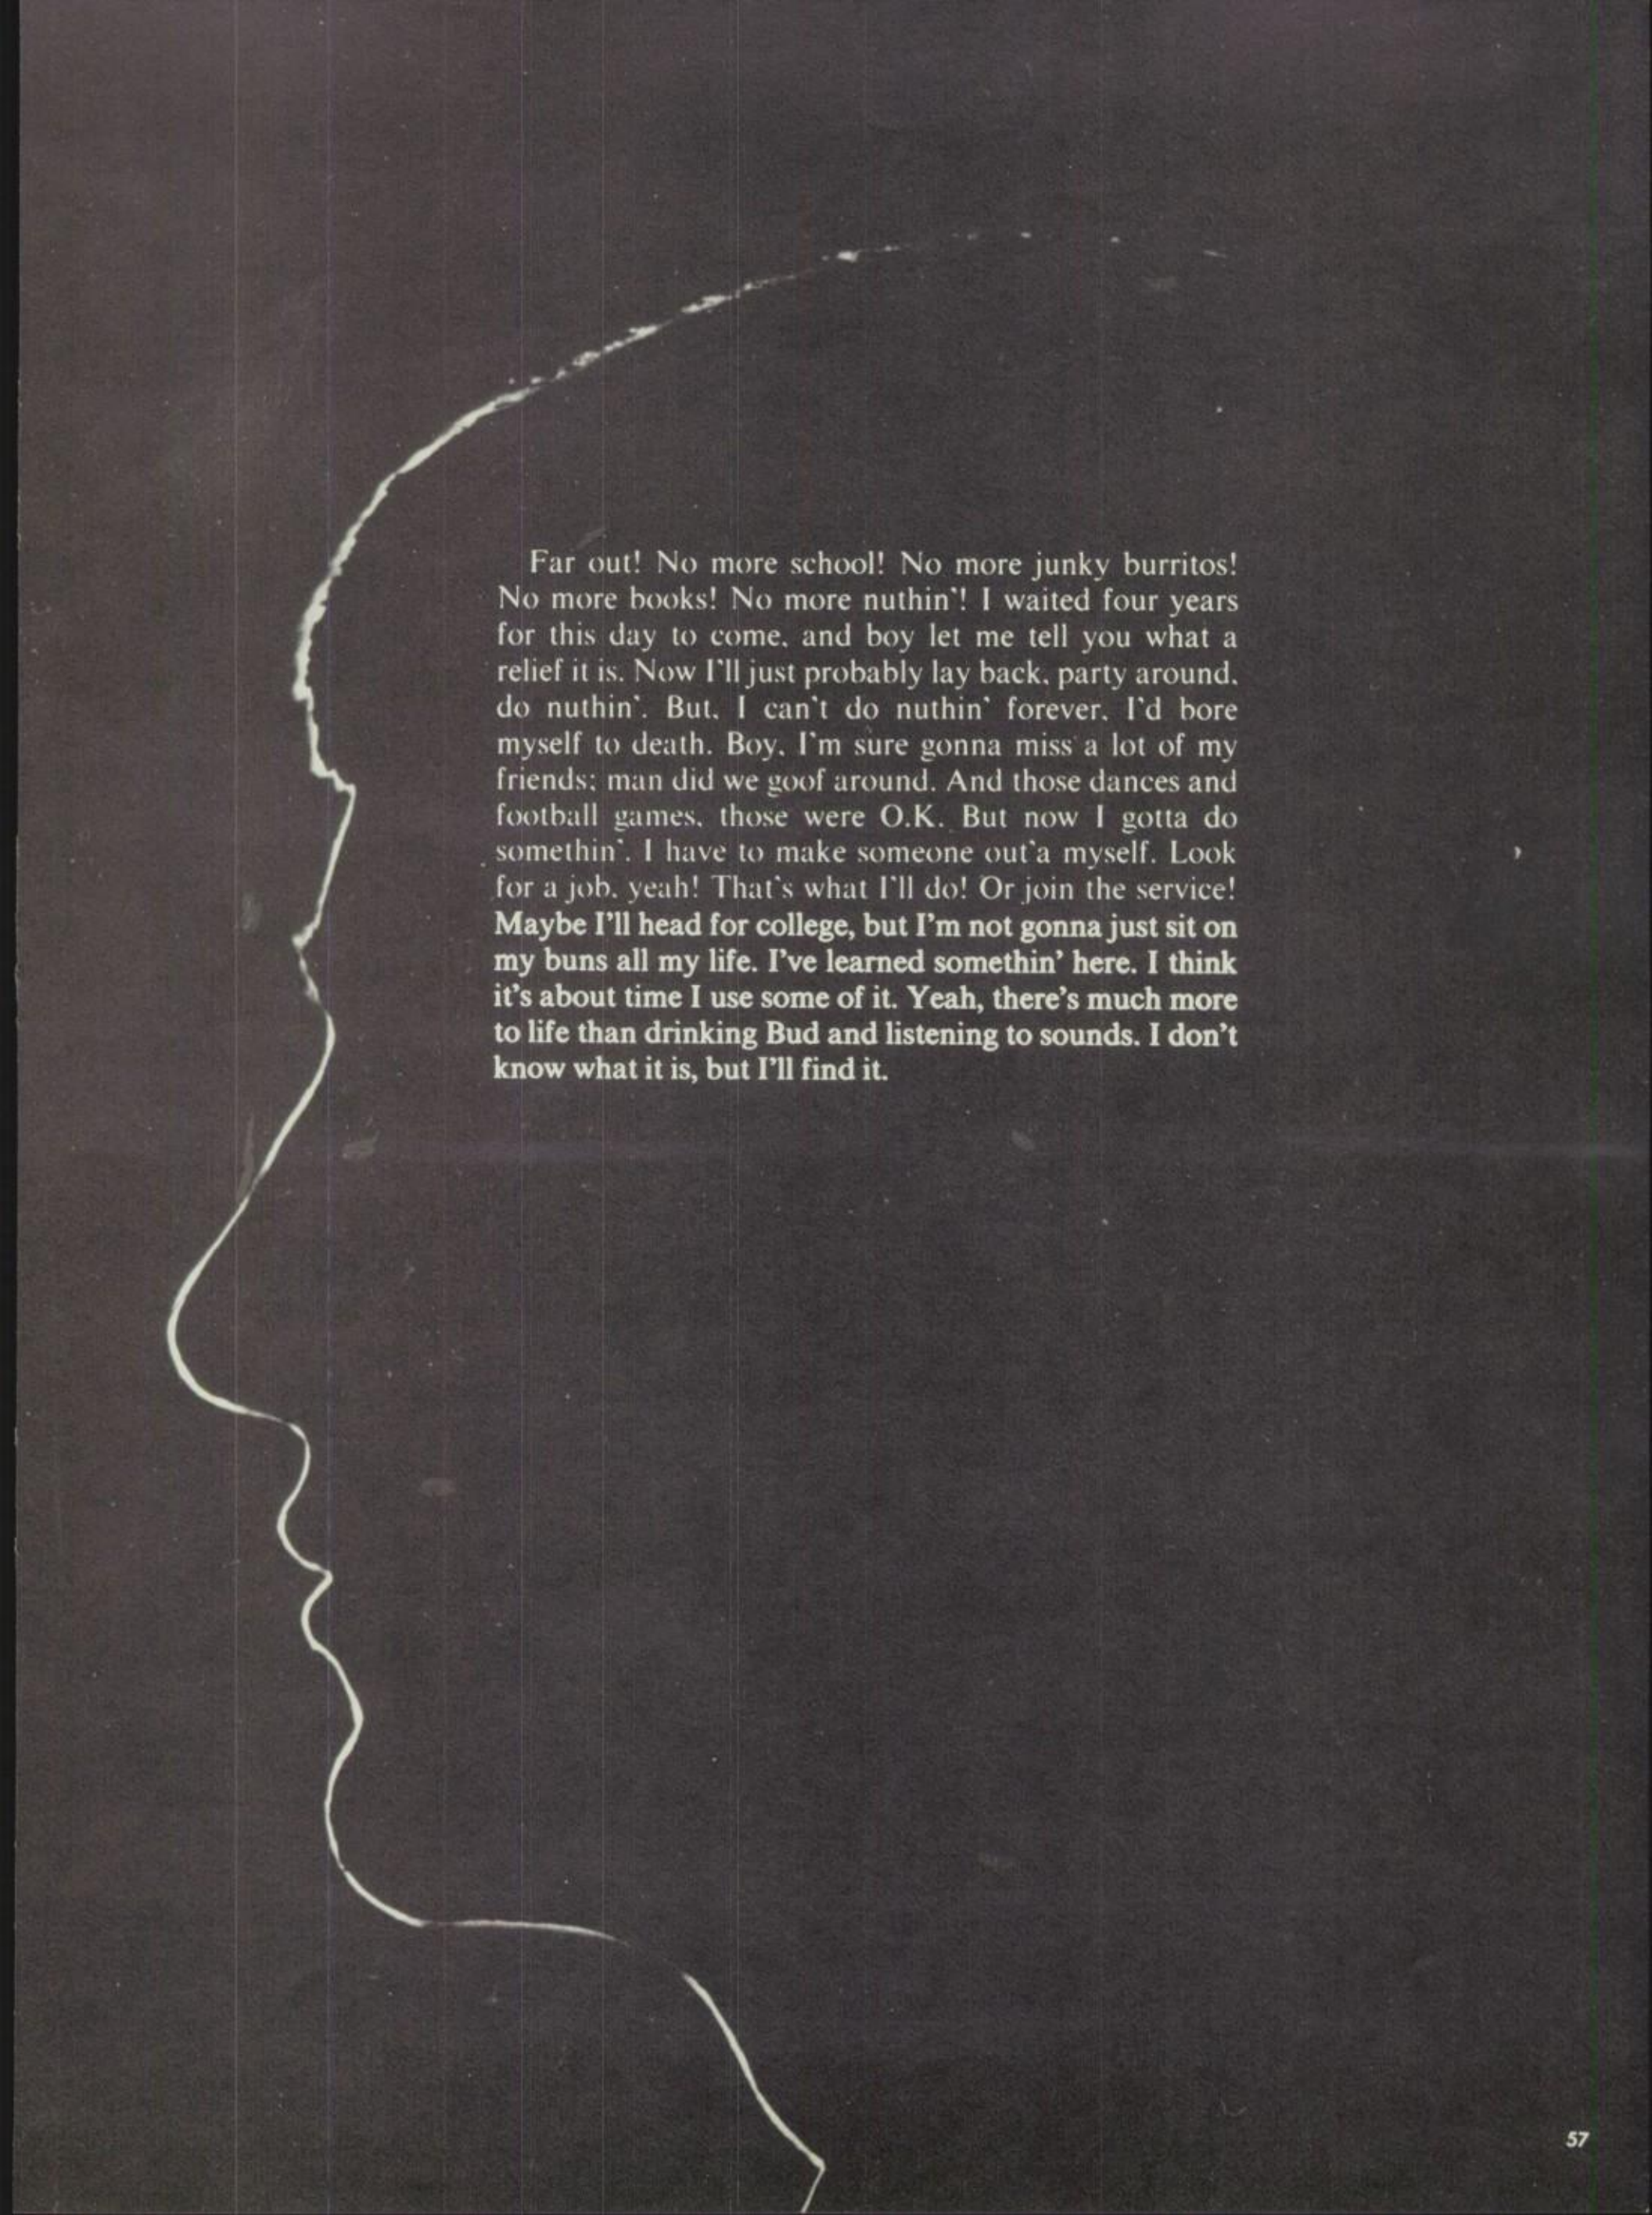
JUNIOR SENIOR FROLICS

Well, in a couple of days it will be all over with. The day I've been looking forward to for twelve years, but now that it is approaching me, am I really looking forward to it? For twelve years I've gone to school with many of the same people, and made many new friends along the way. Sure I've complained about all the homework and studying for tests, but somehow life would have been actually boring without school. Just think of how many people I would have never met, and of all the things I would have never done if it hadn't been for school. I mean, how much can I really do by staying home and watching T.V.? If I want something good and exciting to happen in my life, I have to go out and look for it, and school is as good a place as any. But now, in a few days, it will be all over with. I'll be graduating from Pioneer, and some of these good old friends of mine I will never see again. Wouldn't you know it? Just when I start appreciating my school years, they come to an end, or is it just the beginning?



Far out! No more school! No more junky burritos! No more books! No more nuthin'! I waited four years for this day to come, and boy let me tell you what a relief it is. Now I'll just probably lay back, party around, do nuthin'. But, I can't do nuthin' forever. I'd bore myself to death. Boy, I'm sure gonna miss a lot of my friends; man did we goof around. And those dances and football games, those were O.K. But now I gotta do somethin'. I have to make someone out'a myself. Look for a job, yeah! That's what I'll do! Or join the service! **Maybe I'll head for college, but I'm not gonna just sit on my buns all my life. I've learned somethin' here. I think it's about time I use some of it. Yeah, there's much more to life than drinking Bud and listening to sounds. I don't know what it is, but I'll find it.**

Cabinet Led by First Female President

Once again the A.S.B. Cabinet had another outstanding year, sponsoring many activities such as the Donkey Basketball Game, the annual Homecoming Dance, and canned food drives under the astute leadership of Sue Sanders. This year's Cabinet met daily to plan student activities, handle student body finances and organize the student government. The well organized group spent a lot of time and effort planning these events.

Senate Represents All

This year a new branch of student government was introduced at Pioneer called Senate. This group is made up of all class presidents, club presidents, and representatives of different organizations on campus.

Joey Duran led the group as Chairman, with Barbara Moses serving as pro Chairwoman first semester, and Irene Mora serving second semester. They were under the supervision of Bill Brand.

The purpose of Senate is to represent the various organizations on campus, and their special powers include the ability to impeach student officers. Their goals are to represent all groups at Pioneer, encourage students to participate in school activities, and to provide candidates for A.S.B. Cabinet.

Senate had many fund raising activities this year such as Campus Clean-up, and the Turkey Trot Dance. They also raised money for Mike Ortiz, who was killed in a motorcycle / automobile accident.

Titan Activities Promoted by Boys' and Girls' League

Girls' and Boys' League, led by Chris Escobedo and Ron Grijalba respectiviely, strived to plan various activities here at Pioneer.

Girls' League again sponsored the annual Girls' League Dance which was held at Rochelles in Long Beach. They also sponsored a Fashion Show, the Mother-Daughter Dessert, and Titanette Review.

Boys' League also held many activities which included the Christmas Dance, and the Sadie Hawkins dance, (which was also sponsored by Girls' League).

With the great effort put forth by both groups, all of their activities proved to be successful.

Vocal Groups Charm Audiences

The Titan Choir has been busy this year performing at various places. They performed for the Annual P.T.A. Christmas assembly. Also, they attended the Whittier Union High School District Choral Workshop under the direction of Dr. Howard Swan.

The Girls' Glee performed for the Annual concert also, and they attended the District Festival in April at La Serna. Both groups have participated in the Spring Concert.

The Titan Tones performed for many organizations throughout the community. They prepared special music for the Welcome Assembly for Japanese students. Along with the same activities of the Titan Choir and Girls' Glee, the Titan Tones have performed more than fifty times during the year.

1975 Homecoming an Evening of Memorable Enjoyment

On October 17th, a beautiful Friday evening, Pioneer's 16th annual Homecoming was held. It was a very climactic moment for everyone because it was hard to determine who would be our 1975 Queen. But at halftime, Pauline Acosta was crowned '75 Homecoming Queen by last year's Queen Betty Arriaga. The night was also for the returning alumni to reminisce about old times they spent together.

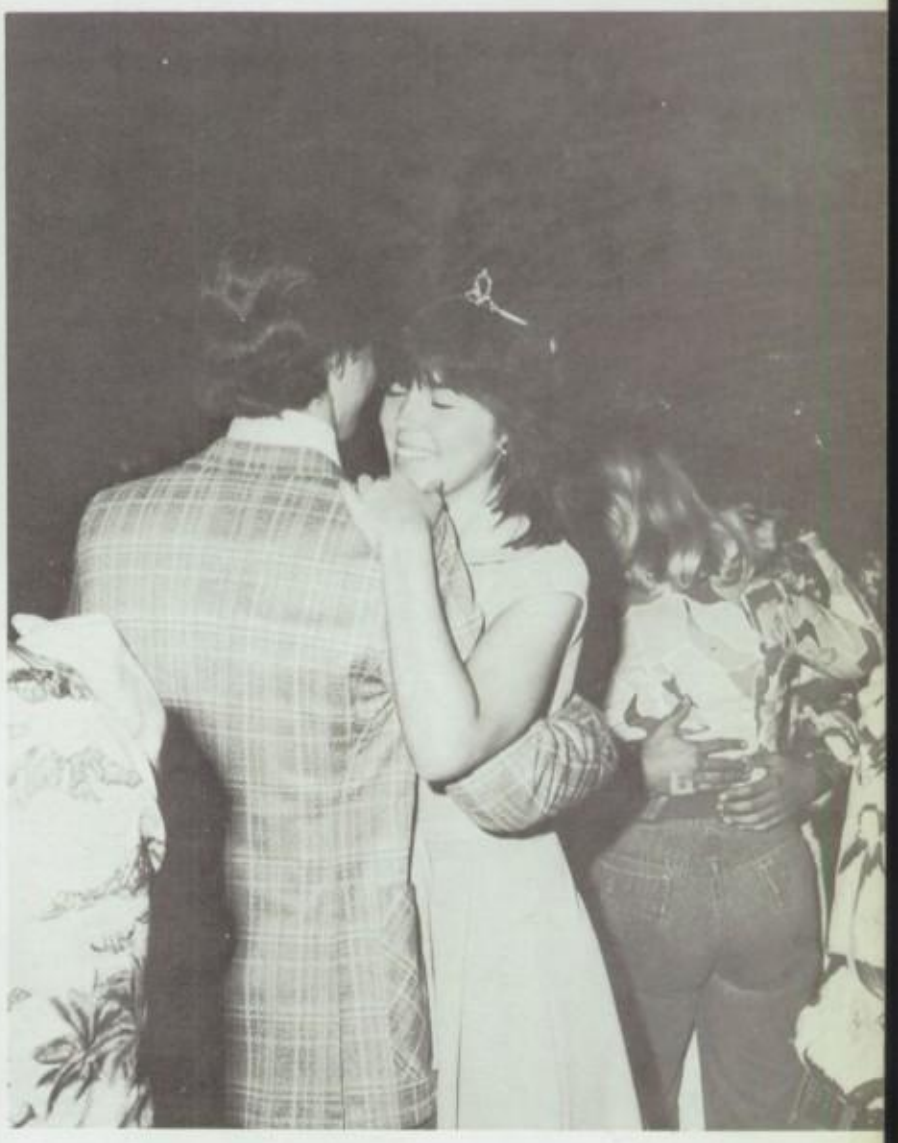
"Halloween" Fun and Games



Christmas Queen — Cathy Espinosa

The Christmas dance and Christmas Queen has become a tradition with Pioneer. This year Cathy Espinosa was crowned our Christmas Queen and our urning Christmas Queen from last year, Gabby Aranda was there to crown her. Cathy's escort was Joey Duran and her princesses were Gerrie Martinez, corted by Henry Bustamante; Amy Watkins, escorted by Kirk Wilkinson; Patsy Rodriguez, escorted by Stuart Jackson; Joy Wilson, escorted by Scott ver; and Joann Oliva, escorted by Paul Espinosa.

The Band this year was "Brotherhood" which is a favorite among Pioneer Students.

"It's A Small World"

"It's A Small World" was this years Titanette Review. Advisors were Marilyn Littlefield and student director, Trudy Fierros. The performances were held on March 11th, 12th, and 13th.

The Girls' League cabinet presents the review and any girl may try out. The girls get together in groups and then try out one month before the real performance. Eleven groups made it this year.

The groups were all judged by former Pioneer graduates and visitors from other high schools. First Place and Costumes and Props went to the "Americas' Courageous Captains." Second Place and a tie for Skit Award went to the "Swonderful Dancing Swiss." Third Place and Pops Prize went to the "Future Phenomenal Females." The Cooperation Award (picked by all of the groups) went to the "Crazy Congo Bongos," and a tie for Skit Award went to "Los Mambos."

Improv-a-Thon?

Pioneers' Drama Department, supervised by Carolyn Gilweit, sponsored a new and different fund raising activity called an "Improv-a-thon," which collected money to renovate the stage end of the cafeteria.

What's an Improv-a-thon? It is thirty PiHi Thespians acting and performing various skits and plays that they made up as they went along. They did this for thirty-six continuous hours.

Pictured are a few shots of the participants in action during the Improv-a-thon. Also shown are members of the Technical Crew, the backbone of all drama productions. They are responsible for the lighting, sound, and all technical aspects of the shows.

Varsity Has Fair Season

The Varsity Team under Coach Bob Spindola came away with a 2-7 league record this year with their two wins coming against Whittier and Sierra. Despite their record, Pioneer played some excellent football this season. For example, winning their game against Whittier in the last few minutes. They had some very good talent this year and with plenty of hard work this summer they will probably be good contenders for next year, as many players will be returning.

Coach Bob Spindola announced his resignation this season after 21 years of coaching with 7 of those years as head coach of Pioneer. He felt it was time to take a break. Pioneer won two league championships under coach Spinola and went to the playoffs 4 times. Last year being the most recent.

The Titan Cross Country team proved to have the best Varsity and J.V. teams ever at Pioneer. Under last year's assistant coach, Tommy Castro, the Varsity harriers had a 7-1 record overall, finished second in duel meet standings and tied for second in league. While J.V. finished with an 8-0 record, were duel meet champions and co-champions in league. The Frosh-Soph team had a disappointing season and was only able to pull out a single victory.

The course record was broken by three runners, John Arroyo, Ronnie McGinnis and Ruben Perez. John Arroyo clipped off 23 seconds from the old course record. The team did well in invitationals, the Junior and Senior team took second place at Cal-Sierra, and brought home eleven trophies from the Rio Hondo Invitational.

Cagers — an Outstanding Performance

The Cagers wound up at the top of the list this year. Placing second in Whitmont League close behind Sierra, the Titan Team got into the C.I.F. playoffs. They fought a hard game, but lost by a close six points. One of the members of the team that contributed to their successful season was Kirk Childress, averaging over twenty points a game, who lead the Titans to victory after victory. He was also acclaimed all-league for the second year in a row, this year being runner up for Most Valuable Player. He also placed on the All-City Team. Two other members who were given a well-deserved Honorable Mention were Sam Benavides and Gonzalo Garcia.

Junior Varsity Had an Unpredictable 6-8 Season

Despite their 6-8 record, the JV's showed the potential of champions, suffering a 4 point defeat to the League Champions Cal Hi Condors. The JV's also had their share of heartbreaks, losing at the sound of the buzzer by a one point margin to the Sierra Spartans. Also a 48-50 turnout against the Monte Vista Mustangs. The JV's showed their strength when dominating La Serna 74-26, and Santa Fe 82-51.

Titan Kickers Build

The Titan Soccer Team averaged well this season, having a 5-9 record. The kickers showed an impressive ability in the sport of soccer. Four Titans made all-league nomination this year; Dennis Aikey, first team goalie; (second year in a row), Raul Medina first team fullback, Joe Chavez, second team halfback; and Gilbert Delgadillo, second team fullback. The team broke in many new players this year and will probably come on strong in future years. One reason the kickers always have an impressive season is their coach; Maury Cauchon, leading them to C.I.F. last year and to many victories this year.

Grapplers Get the Feel of Winning

Once again the Titan Wrestling Team kept their tradition of having a winning and exciting year of wrestling; with Tony Primrose placing first in league, followed by Don Fitzgerald and George Kirylo placing second and Raul Flores placing third. Tony Primrose represented Pioneer in the C.I.F. prelims with a strong third. Under the astute leadership of Coach Lopez, he plans to develop a strong wrestling team which is very promising.

Netters . . . Powerhouse Team

The Titan-netters did not start their season in time for publication, but predictions for another powerful team are anticipated. Having several returning lettermen and breaking in a few new players PiHi should come up on the top of the list this year. The reason why the netters always come out strong, is because of their artful and crafty leaders, coach Stu Kauffman and J.V. coach Bart Harlem.

By printing time we were unable to get any scores for the Titan Swim Team, but under the leadership of Coach Horner things look hopeful for this year. With a few returning Lettermen and a new Frosh-Soph crew the Titans will begin the season looking for victory.

Varsity Baseball — Looking for Success

The Varsity Baseball Team was expected to do well this season as they had 5 returning Lettermen. Jimmy Carillo, an outstanding pitcher, is one of the returning players. Sophomores Show Pride

The Sophomore Class Officers had an exciting year. Under the leadership of Class President Raul Dominquez, the Class Council and Officers started raising money to finance its activities. This was done with great enthusiasm following the traditional Sophomore spirit.

Educators

Administrative and Community Groups Continue to Support Pioneer

There are six groups at Pioneer that very few people know about, but who help the students and others in countless ways. They are the District Administrators, the Board of Trustees, the Booster Club, the Teacher's Club, the Expanded Horizons Advisory Committee, and the Parent-Teacher Association.

The District Administrators and Board of Trustees are very concerned with the students of Pioneer, and all of the schools in the Whittier Unior High School District. They make decisions that greatly affect the students and see to it that they are well prepared for life when they graduate.

The Booster Club is a group of dedicated parents who raise money for the school by engaging in many fund-raising activities such as operating the concessions at the football games.

The Teacher's Club tries to keep the lines of communication open between the students, teachers, and the community.

The Expanded Horizons Advisory Committee raises money for a scholarship fund and helps to pay test fees such as the PSAT and the SAT.

The P.T.A. is made up of parents who volunteer their time in many ways that help the students and the community. They operate a thrift shop and a costume rental store in Whittier.

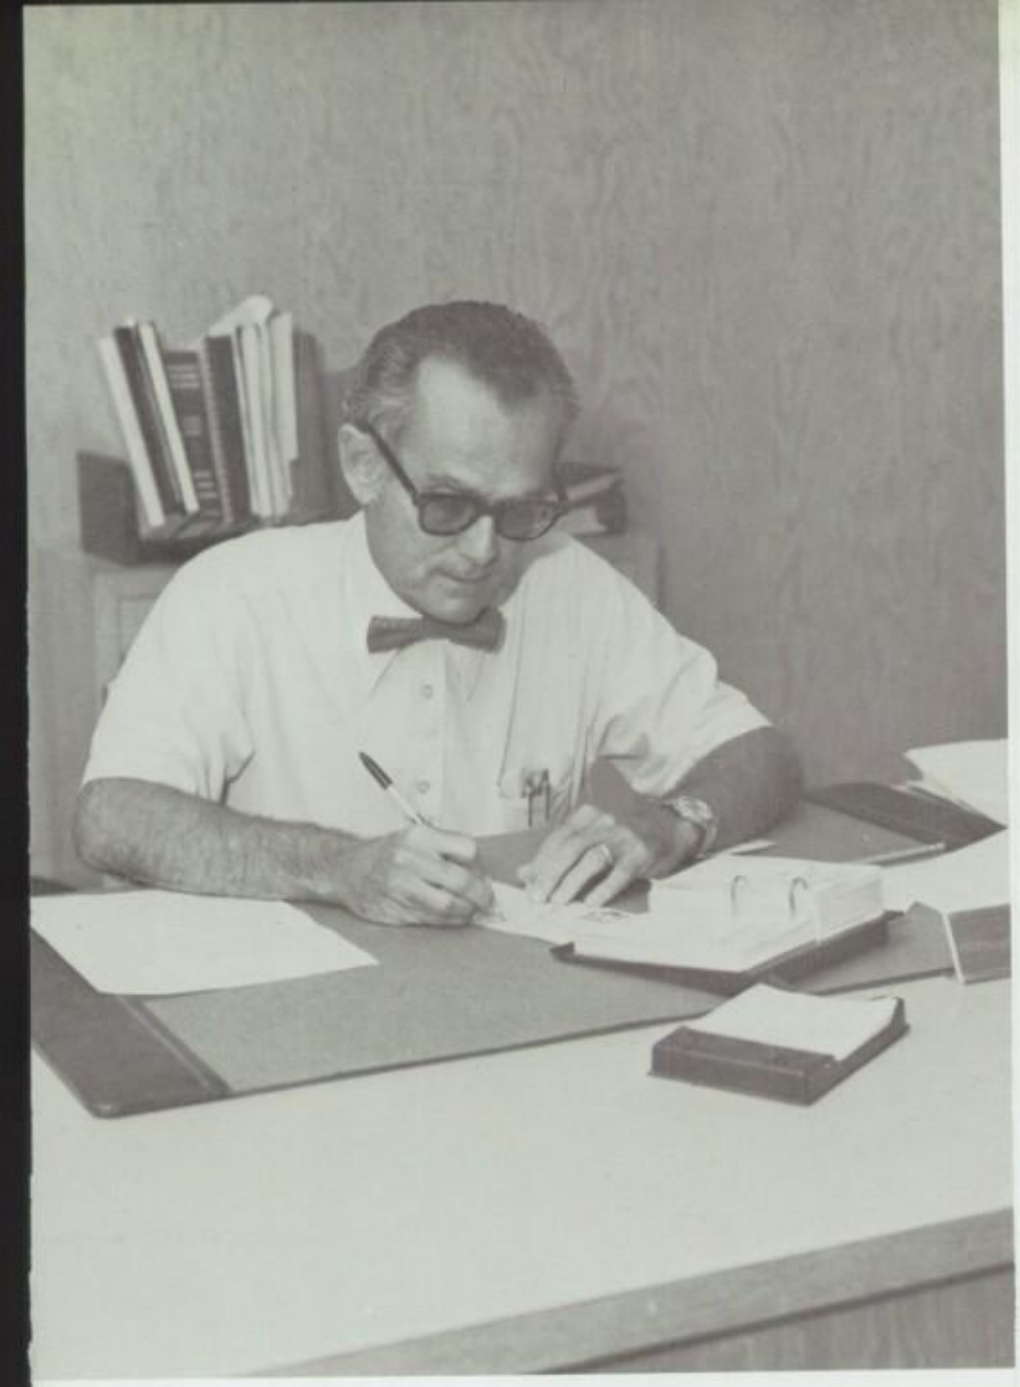
Dr. Haines — Very Proud to Be a Titan

This has been a very good year for Pioneer and Pioneer students. The warm, friendly humanness of Pioneer was very evident. There has been more involvement by students in all aspects of the program. Student Government continues to become broader and more interested in important issues that affect students. The year also saw wide involvement by parents, teachers, and students in the improvement of the entire Pioneer Educational Program. We saw the beginning of the Pioneer Community School to make full use of the school facilities to meet the needs of the entire community. The worldliness of Pioneer students was enhanced by our relationships with our Sister School, Hokota First Senior High School in Hokota, Japan.

The people of Pioneer; parents, students, and the entire certificated and classified staff makes me "Very Proud To Be A Titan."



Administrators Devote Their Time for the Betterment of PiHi

Under the leadership of Principal Gerald L. Haines, Ed.D., the Administrative Staff furthered the innovative and effective program of operating Pioneer; and as a result a friendlier atmosphere, one more open to communication and understanding, was achieved.

The staff and all of Pioneer experienced a great loss when Bill Kirk, who for many years served Pioneer, was promoted to a position at the district office. Taking his place as Assistant Principal of Guidance is J. C. Low, who has been Assistant Principal of Business and Activities.

Dick Torres, who came to Pioneer from Santa Fe, is now Assistant Principal of Business and Activities. John Kimmick remained as Assistant Principal of Curriculum.

Pioneer Counselors Guide Students in the Right Direction

This year Pioneer welcomed Tom Roberts to its Guidance Staff, taking over for Julie Hilla who transferred to MGM. The five man counseling team consisting of Paul Montes, Robert Fiske, Tony Gandara, Woody Odanaka, and Tom Roberts, are working together to give Pioneer students the help and guidance they need.

Special Services Give Titans Advantages

Every year our Special Services Staff seems to grow bigger and bigger to aid our students at Pioneer.

This year two more members joined the staff. John Macias has filled a new position of Community School Coordinator. His job is to better the relationships between the students and the community. Rudy Quiroz has also joined the staff, taking the place of Dan Garcia as Attendance Coordinator, while Julie Hilla filled in for Paul Gardener in the MGM office.

Dan Nay, Curriculum Coordinator; Doris Dean, School Nurse; Art Ponce, Expanded Horizons Coordinator; Darlene Staib, EWEE Coordinator; Joe Hazard, Librarian; Rudy Quiroz, Attendance Coordinator; Julie Hilla, MGM Coordinator; Bill Brand, Assistant in Student Activities, are all continuing to do a fine job in helping the students of Pioneer.

Pihi Crews . . . Behind the Scenes

There are many things that make up a school — teachers, students, administrators — everyone knows about them. But there are those who go unnoticed and taken for granted; people who devote their time and energy towards keeping Pioneer clean and who see to our every needs. These people are the Custodial and Cafeteria Crews.

The Custodial Crews work very hard towards keeping the shrubbery and campus clean, as well as caring for and setting up various equipment for different activities.

The Cafeteria Crew prepares well-balanced meals each day for the Titans.

And of course everyone knows our own Willie Lopez and Elizabeth Fowler, who see that everyones' needs are taken care of in the Boys' and Girls' locker rooms.

Linda,

Well, we've had some really weird times. Especially in Spanish when we flew those Spanish puzzles across the room instead of doing them. That class has got to be the pits. It was fun in track, though next year you had better quit fooling around and practice more. Have a fun summer and don't get into trouble. See you next year.

Your friend,
Wendy Gentry
